COOPERATION AND INTERACTION AGREEMENT BETWEEN RUSSIA RENEWABLE ENERGY DEVELOPMENT ASSOCIATION (RREDA) AND INDONESIAN SOLAR ENERGY ASSOCIATION (AESI)

Moscow, 2024

This cooperation and interaction agreement is signed between the **RUSSIA RENEWABLE ENERGY DEVELOPMENT ASSOCIATION (RREDA)** represented by **Director Zhikharev Alexey Borisovich** acting on the basis of the Charter, on the one hand, and **INDONESIAN SOLAR ENERGY ASSOCIATION (AESI)** represented by Chairman, Fabby Tumiwa acting on the basis of the Charter, on the other hand when jointly referred to as the "Parties", and individually - the "Party", mutually recognizing the statutes, constituent and program documents, goals, objectives and principles of the activities of the Parties, preventing actions that may cause damage to each of the Parties, have concluded this Agreement on cooperation and interaction (hereinafter referred to as the Agreement) in order to develop the fundamental principles and cooperation and determine the procedure for interaction between the Parties.

I. PREAMBLE

The objective of this Agreement is to confirm the commitment of the Parties to organize non-commercial informational interaction and to cooperate in the field of development of the renewable energy and low-carbon hydrogen.
The cooperation is intended to be pursued on the basis of equality and joint benefit as mutually agreed upon by the Parties.
The agreement does not preclude other bilateral or multilateral collaborative activities in the field of renewable energy and low-carbon hydrogen.

II. AREAS OF COOPERATION

Aiming to increase the share of renewable energies in the energy balance of both countries the parties will interact and encourage collaboration between members and relevant stakeholders in the following areas:

- Innovative renewable energy and other low-carbon technologies.
- Production and recycling of renewable energy equipment.
- Best policy practices to stimulate renewable energy investment projects.
- Optimal integration of renewable energy generation facilities into the energy system with a focus on best practices in renewable generation and network infrastructure digitalization.
- Promotion measures to increase the social and the governmental acceptance of renewable energy sources and low-carbon hydrogen.
- Development of technical and technological training and advanced training of engineering and technical personnel – employees.

The provisions of this Agreement are not the basis for the emergence of an obligation of any of the Parties to provide services (performance of work) in favor of the other Party. Services (works) are provided (performed) based on separate Agreements between the parties.

III. INTERACTION PROCEDURE

In order to implement the provisions of the Agreement, the Parties interact in the following forms:
3.1 organization of joint projects in areas mentioned in section II;
3.2 mutual technology transfer and technical assistance;
3.3 exchange of statistics, publications, presentations and reports on issues related to areas of cooperation, adhering to each organization's policy on data and information sharing;
3.4 facilitate business matching, trade or investment forums to foster investments in renewable energy projects;
3.5. conduct mutual consultations, joint working meetings, seminars, round tables and other events in order to develop proposals on issues of mutual interest;
3.6. develop, coordinate and approve plans for joint work under the Agreement;

3.7. create joint commissions, working groups, other advisory bodies to develop and study the proposals of the Parties;
3.8 cross-promotion of Parties and their members activities in public and social media.

IV. INTELLECTUAL PROPERTY

Neither Party uses the name and trademarks (logos) of the other Party without the prior written consent of such Party (including when posting information and/or releasing, publishing materials under the Agreement). The Parties retain all rights to the results of intellectual activity (intellectual property) contained in any texts and images of the trademarks (logos) of the Parties transferred to the other Party. The Party is not entitled to transfer the rights to the results of intellectual activity of the other Party and / or any part of them in whole and / or in part to third parties without the prior written consent of the other Party.

V. PRIVACY

5.1. The Parties undertake to keep in secret any information and data that became known to them in connection with the Agreement, not to disclose or disclose, in general or in particular, facts or information to any third party without the prior written consent of the other Party.
5.2. For the purposes of this Agreement, confidential information includes:
5.2.1. Any documents and information that, when provided by one Party to the other Party, are expressly designated as confidential materials;
5.3. For the purposes of this Agreement, confidential information does not include:
5.3.1. documents and information that are published and, as far as the relevant Party knows, the publication was not the result of a violation by any person of the obligation of confidentiality (non-disclosure of information);
5.3.2. documents and information that were lawfully and without obligation of confidentiality in the possession of the respective Party before they were received from the other Party.

VI. COSTS

Nothing herein shall be construed as requiring RREDA or AESI and its members to expend funds on behalf of the purpose, objectives, and responsibilities set forth in this Agreement, except as specifically agreed to in writing by the Parties. All expenditures are subject to the availability of appropriated funds.

VII. PERIODIC REVIEW

Representatives of RREDA and AESI will annually review, on or around the anniversary date of this Agreement, the progress in the implementation of the Agreement. This Agreement shall remain in effect unless amended or terminated by the parties. Amendments must be agreed by both parties. This Agreement may be terminated at any time by either party upon sixty (30) days' notice to the other party.

VIII. EFFECTIVE DATE

The terms of this Agreement will become effective on the date of the last signature by the parties and will remain in effect until terminated by either party as specified in Section VII.

IX. MODIFICATION

Amendments must be bilaterally executed in writing, signed by authorized representatives of both parties. No oral or unilateral amendments will be effective. Only terminations done in accordance with the terms of this agreement may be done unilaterally.

X. OTHER PROVISIONS

This Agreement does not create a partnership or a joint venture.

This Agreement shall become effective on behalf of the parties by signature of the undersigned:
