APPROVED BY:
Presidium of RREDA
Protocol No. 05-06/2026
dated '29' June 2026

REGULATION
ON MEMBERS OF THE RUSSIA RENEWABLE ENERGY DEVELOPMENT ASSOCIATION

Russian Federation
Moscow
2026

GENERAL PROVISIONS

This Regulation has been developed in accordance with the Constitution of the Russian Federation, the Civil Code of the Russian Federation, the Federal Law "On Non-Commercial Organizations", and the Charter of the RUSSIA RENEWABLE ENERGY DEVELOPMENT ASSOCIATION (PSRN 1167700075212), hereinafter in the text of this Regulation referred to as the "Association".

This Regulation governs the procedure for admission to and termination of membership in the Association, and also determines the rights, obligations and liability of members of the Association, and contains requirements for the content and procedure for maintaining the register of members of the Association.

1. MEMBERSHIP IN THE ASSOCIATION

1.1. Membership in the Association shall be voluntary.

1.2. The Association shall be open for admission of new members.

1.3. Members of the Association shall retain their independence and rights.

1.4. Members of the Association shall have equal rights and obligations.

1.5. The right of membership in the Association may not be transferred to third parties, except for succession in the manner established by the legislation of the Russian Federation.

1.6. Citizens and legal entities, including foreign ones, may be admitted to membership in the Association in accordance with the current legislation of the Russian Federation.

1.7. The following may be admitted to membership in the Association:

1) an individual, provided that he/she has knowledge in the field of sustainable development, renewable energy sources and energy saving, and experience in implementing projects in the said areas;

2) a legal entity, provided that it carries out or plans to carry out financial and economic activities aimed at implementing projects in the field of renewable energy and sustainable development, including in the capacity of: an investor, a financial institution, an equipment manufacturer, a construction and installation organization, a design organization, and a sectoral consultant; scientific activity in the field of sustainable development, energy saving and renewable energy; and activities related to information support.

2. PROCEDURE FOR ADMISSION TO MEMBERSHIP

2.1. To join the Association, an applicant shall send (submit) a written application for admission to membership in the Association addressed to the Director of the Association.

2.2. Prior to submitting an application for admission to membership in the Association, applicants must familiarize themselves with the Charter of the Association, this Regulation, as well as with Appendix No. 1 "On the Categories of Members of the Association and the Procedure for Determining the Amount and Method of Payment of Membership, Targeted, Additional Property

and Other Contributions of Members of the Association to Its Property". The said information is posted by the Association on its website on the Internet.

2.3. Documents submitted to the Association by legal entities must either be executed in Russian (applications, questionnaires) or translated into Russian.

2.4. An application for admission of an applicant that is a foreign legal entity (registered in accordance with the legislation of a foreign state) to membership in the Association shall be accompanied by a Russian translation of the documents on the state registration of the legal entity, in accordance with the procedure established by the current legislation of the relevant foreign state.

2.5. Documents submitted by applicants for admission to membership in the Association shall be provided in a single copy in the form of copies of documents certified by the seals of the organizations.

2.6. Legal entities wishing to join the Association shall additionally provide a copy of the decision of the management body on joining the Association, indicating the authorized representatives of their interests in the Association. Legal entities that are members of the Association shall exercise their rights through authorized representatives. An authorized representative acts without a power of attorney if he/she is the head or another person entitled to act without a power of attorney on behalf of the legal entity in accordance with its Charter. In other cases, the authorized representative acts on the basis of a decision of the executive body of the legal entity executed.

2.7. The decision on admission to the Association shall be taken by the Presidium of the Association on the basis of the application for admission to membership in the Association.

2.8. An applicant for admission to the Association shall be deemed a member of the Association from the moment the Presidium of the Association issues a decision (in the manner determined by the General Meeting of Members of the Association) on admitting the applicant to membership in the Association.

A positive decision of the Presidium of the Association shall create an obligation for the applicant to pay the entrance and membership fee within 30 (thirty) calendar days after an invoice for payment of the entrance and membership fee has been issued.

2.9. A member of the Association shall be issued a document (an extract from the minutes of the Presidium of the Association) confirming membership in the Association.

2.10. Information on an admitted member of the Association shall be included in the Register of Members of the Association. In the event of a decision to refuse admission, the Association shall send the applicant a written refusal of admission to membership in the Association without stating the reasons.

2.11. The decision on admission (refusal of admission) of an individual / a legal entity to membership in the Association shall be taken by the Presidium of the Association within 30 (thirty) days from the date the applicant submits the application for admission to membership in the Association together with all the required documents.

2.12. The date of admission of an individual / a legal entity to membership in the Association shall be the date the Presidium of the Association takes the decision on admission to membership in the Association;

2.13. Information on and individual / legal entity admitted to membership in the Association shall be entered into the register of members of the Association within 3 (three) business days from the date the decision on admission of such person to membership in the Association enters into force.

2.14. Within 10 (ten) business days from the date information on the admitted individual / legal entity is entered into the register of members of the Association, he/she/it shall be issued (sent to his/her/its e-mail address) a document confirming membership in the Association.

2.15. The Association reserves the right to refuse an applicant admission to membership in the Association at its own discretion, regardless of whether the grounds provided for in this Regulation exist.

2.16. A decision to refuse admission of an individual / legal entity to membership in the Association shall be sent to such person within 10 (ten) business days from the date such decision is taken.

2.17. Documents submitted by a member of the Association upon joining the Association shall be kept in his/her/its personal file. The Association shall store the documents, ensuring the confidentiality of the information contained therein in accordance with the requirements of the legislation of the Russian Federation.

3. PROCEDURE FOR TERMINATION OF MEMBERSHIP

3.1. A member of the Association shall have the right to withdraw from the membership of the Association at any time, at its own discretion.

3.2. To exercise the right of withdrawal, a member of the Association must submit a corresponding application addressed to the Director of the Association.

3.3. Upon withdrawal from the Association, a member of the Association shall not be entitled to receive any part of its property or the value of such property, including within the limits of the value of property transferred by the member of the Association into its ownership (as an entrance, membership or other contribution).

3.4. Expulsion of members from the Association shall be carried out by the Presidium of the Association.

3.5. Expulsion from membership in the Association may be carried out:

1) in cases where membership in the Association contradicts the requirements of the current legislation of the Russian Federation;

2) in the event of a member of the Association being repeatedly held liable for violation of the norms of the Charter of the Association within a year;

3) in the event of a member of the Association's failure to remedy, within the established time limit, violations of the Charter of the Association identified by inspections;

4) in the event of untimely and/or incomplete payment by a member of the Association of mandatory membership (regular) and/or one-time mandatory contributions;

5) in the event of damage caused by a member's actions (inaction) to the reputation (prestige) of the Association or its members;

6) in the event of failure to comply with decisions of the governing bodies of the Association taken within their competence;

7) in the event of failure to perform obligations imposed on a member of the Association in accordance with the Charter of the Association;

8) in the event of voluntary withdrawal from the membership of the Association at the discretion of the member of the Association.

3.6. An individual / legal entity expelled from the Association shall be deemed as such from the moment the Presidium of the Association takes the decision on expulsion of the member of the Association.

3.7. An individual / legal entity expelled from the Association shall have the right to receive a copy of the decision of the Presidium of the Association and shall be obliged, within two weeks from the date the Presidium of the Association takes the decision on expulsion, to surrender the document confirming membership in the Association.

3.8. An individual / legal entity expelled from the Association shall not be entitled to refer to membership in the Association from the moment of expulsion.

3.9. An individual / legal entity expelled from the Association shall have the right to appeal the decision of the Presidium of the Association on his/her/its expulsion at the General Meeting of Members of the Association.

4. RIGHTS AND OBLIGATIONS OF MEMBERS OF THE ASSOCIATION

4.1. Members of the Association shall have all the rights and obligations provided for by the current legislation of the Russian Federation, the Charter of the Association, this Regulation and other internal documents of the Association.

4.2. Members of the Association shall have the right to:

1) participate in the management of the Association's affairs, including electing the governing bodies of the Association and being elected to the governing bodies of the Association;

2) withdraw from membership in the Association at their own discretion, on the basis of a written application, in the manner established by the Charter of the Association and this Regulation;

3) receive assistance from the Association in resolving matters within its competence;

4) receive information on the activities of the Association by sending a written request addressed to the Director of the Association;

5) enjoy the organizational and consultative support of the Association when matters affecting the legitimate interests of members of the Association are being considered;

6) address comments and proposals on all matters relating to the activities of the governing bodies of the Association;

7) participate in the development of draft documents defining the main areas of activity of the Association;

8) receive a document confirming admission to membership in the Association;

9) make use of the information support provided by the Association;

10) appeal decisions of the bodies of the Association entailing civil-law consequences, in the cases and in the manner provided for by the legislation of the Russian Federation;

11) have other rights provided for by the legislation of the Russian Federation, the Charter of the Association, and decisions of the governing bodies of the Association.

4.3. Members of the Association shall be obliged to:

12) comply with the Charter of the Association and the rules and requirements established by the Association for its members;

13) contribute to the achievement of the statutory goals of the Association, including through the implementation of the priority areas of the Association's development;

14) comply with decisions of the governing bodies of the Association;

15) timely and in full pay entrance, membership (regular), targeted and additional contributions to the property of the Association in the amount determined by the General Meeting of Members, and in the manner determined by the Charter of the Association;

16) participate in the formation of the property of the Association to the extent necessary, in the manner, method and within the time limits determined by the General Meeting of Members of the Association;

17) actively participate in the activities of the Association, contribute to the expansion of the scale and scope of the Association's activities, to the enhancement of its prestige and the effectiveness of its work, and to the expansion and strengthening of international cooperation;

18) participate in the adoption of decisions without which the Association cannot continue its activities;

19) respect the interests of other members of the Association, strictly comply with the terms of contracts, agreements and arrangements, compensate for damage caused, and not allow instances of unfair competition;

20) not commit actions that may cause damage to the legitimate interests of the Association or its members;

21) not commit actions knowingly aimed at causing harm to the Association;

22) not commit actions that materially hinder or render impossible the achievement of the goals for which the Association was established;

23) not disclose confidential information on the activities of the Association;

24) provide, upon requests from the governing bodies of the Association, information necessary for resolving matters related to the activities of the Association;

25) fully perform the obligations assumed with respect to the Association.

5. REQUIREMENTS FOR THE CONTENT AND PROCEDURE FOR MAINTAINING THE REGISTER OF MEMBERS OF THE ASSOCIATION

5.1. For the purposes of recording the number of its members, the Presidium of the Association shall maintain a register of members of the Association in paper and electronic form.

5.2. The register of members of the Association, representing a list of members of the Association, shall contain the following information in respect of each member:

1) for an individual – surname, first name, patronymic, a copy of the passport, taxpayer identification number (INN);

2) for a legal entity – taxpayer identification number (INN), primary state registration number (OGRN) and date of assignment, full name, address (location), and the surname, first name, patronymic and position of the head;

3) contact information, including address (location), contact telephone numbers and e-mail address;

4) the date of the decision on admission to membership in the Association, the minutes number, and the registration number of the certificate of membership issued;

5) information on termination of membership in the Association (date of the decision on expulsion from the Association, minutes number);

6) other necessary information.

5.3. The date of registration of a member of the Association in the register of members of the Association shall be the date of the decision on admission of the person to membership in the Association and the issuance of the document confirming membership in the Association.

5.4. In the event of a change in information subject to inclusion in the Register, a member of the Association shall be obliged to notify the Association thereof within 10 (ten) days from the date of such change.

5.5. Upon the request of an interested party, the Association shall provide an extract from the Register, to the extent established by the current legislation of the Russian Federation, within no more than 10 (ten) business days from the date of receipt of the said request.

5.6. Information contained in the Register, to the extent established by the current legislation of the Russian Federation, shall be open and publicly available.

6. FINAL PROVISIONS

6.1. This Regulation, amendments to this Regulation, and a decision to declare it invalid shall be deemed adopted if more than fifty percent of the total number of members of the Association voted in favor of adopting the Regulation or the amendments.
